

EXPRESSION OF INTEREST

Special Olympics Victoria State Board

Special Olympics Victoria (SOV) is establishing a new volunteer State Board. This Board will bring new skills and talents to complement the existing people who have a vast knowledge of Special Olympics Victoria, its athletes, coaches, volunteers and its history. This exciting initiative requires Board members who are strategic thinkers as well as those experienced in business management, information technology, marketing, fundraising, event management and of course sport.

Special Olympics is a not for profit volunteer organisation providing year round sports training and competition for children and adults with an intellectual disability. We offer a supportive, safe and structured sports and social environment where people with an intellectual disability are accepted, included and can achieve their best.

SOV management, volunteers and members are encouraged to look outside the organisation, to spread the word around their regions & networks, so that SOV gets the very best Board members to lead SOV into the future. It is intended to form the new board in February/March 2010 (post dissolution of current entity); therefore your expression of interest is requested by the 1st February 2010.

If you are interested in being considered for this new Board, please complete the Expression of Interest form below and the attached information sheet detailing a brief summary of your background and experience. Or, if you know of someone who may be interested and prepared to be considered for the Board, pass on a copy of the form and summary sheet to them.

The completed EOI and Summary Sheet should be returned by no later than 1st February 2010 to:

Attention: Kevin O'Byrne – State Manager

Suite 9, Town Hall Hub, 27 Bank St, Box Hill Vic 3128

For further information telephone: (03) 9275 6922; F (03) 9275 6920
